Annual Report for the Islamic Education Centres of Rahma (Mercy)

Name of the Madrasa: Balez 2
Academic Year: 2025-2026
Date: 22/06/2026

Introduction

Our Madrasah was established in 2021 with the mission of providing high-quality Islamic education and fostering a deeper understanding of Islamic values and teachings among young people, ages 12 to 18.

The establishment of the Madrasah was driven by the needs of the local community. Previously, a local imam had founded the mosque and initiated educational activities in the area; however, due to personal circumstances, he was unable to continue his work. Recognising the importance of maintaining and developing this valuable community resource, the current imam was inspired to continue and build upon these efforts.

Since its establishment, the Madrasah has aimed to support the spiritual, educational, and personal development of young people, while contributing to the continued promotion and understanding of Islam within the local community. Through its educational programmes and community engagement activities, the Madrasah seeks to provide a positive and supportive environment that benefits both its students and the wider community.
