Annual Report for the Islamic Education Centres of Rahma (Mercy)

Name of the Madrasa: Balldren
Academic Year: 2025-2026
Date: 22/06/2026

Introduction

Our madrasa was established in 2024, during the month of Ramadan, with the aim of revitalizing the mosque after it had remained closed for nearly ten years. From the very first day, the local community showed strong interest and support, and children from ages 13-18 actively participated in the program as well.

Over time, the children developed a growing enthusiasm for learning about their faith. This led to the creation of a warm, friendly, and supportive environment across the village, where they can now study Islam freely through a simple and accessible curriculum provided from Rahma Organization.

This year, 18 students have participated in our class.
