Academic Year: 2025-2026
Date: 22/06/2026

Introduction

Our Madrasah was established to provide children and young people in the local community with the opportunity to learn about Islam and its core teachings. Religious classes had been taking place in the area for 1-2 years through the local mosque before becoming part of the Rahma Mercy Association in 2023.

The Madrasah welcomes children aged 6 to 15 and aims to provide a supportive environment where students can develop their Islamic knowledge and values. The programme was introduced in response to the needs of the local community, and students were initially enrolled through announcements made during Friday prayers at the mosque.

Today, the Madrasah continues to support the educational and spiritual development of children and serves as an important resource for the local community.
