Introduction

Our Madrasah was established in 2018 with the aim of teaching the younger generation about the message and values of Islam. Over the years, the Madrasah has provided a peaceful and supportive environment for children aged 7 to 16 to learn and develop their Islamic knowledge, and many students have successfully completed their studies.

In the curricular year 2025-2026, we welcomed a new group of students, with all previous students having completed their courses and a new generation of children joining the Madrasah. We continue to provide a safe and encouraging space where young people can learn about their faith and strengthen their connection to Islamic values.
