Academic Year: 2025-2026
Date: 22/06/2026

Introduction

Our course was established in 2015 with the aim of providing authentic Islamic education to children in accordance with the teachings of the Qur'an and the Sunnah of the Prophet Muhammad (peace be upon him). The curriculum focuses on essential areas of Islamic knowledge needed in daily life, including Fiqh, Aqidah, Seerah, and other foundational studies, based on a simplified textbook provided for new students by Rahma.

Over time, the course has developed into a warm and supportive learning environment where students are encouraged to grow in both their understanding and practice of Islam.

The course so far has had students from ages 10 to 16. Its establishment in this area was driven by the direct request of parents seeking structured Islamic education for their children.
