**Annual Report for the Islamic Education Centres of Rahma (Mercy)**

**Name of the Madrasa:** Permet 2
**Academic Year:** 2025-2026
**Date:** 22/06/2026

## Introduction

Our group was established in 2024 with the aim of promoting Islamic education among young people and the wider community by delivering structured lessons based on a well-organised curriculum. We strive to provide a warm, supportive, and encouraging environment for all students who attend and receive religious instruction.

Over these years, the age range of students who have participated in our madrasah has been 7 to 15 years old. The establishment of the course was motivated by the need to educate the younger generation with sound Islamic knowledge and values.

The initiative was introduced following sermons delivered by the imam during Friday prayers, after which parents themselves expressed their interest and willingly brought their children to the course to benefit from religious education.
