Annual Report for the Islamic Education Centres of Rahma (Mercy)

Name of the Madrasa: Shijak
Academic Year: 2025-2026
Date: 22/06/2026

Introduction

With the help of Almighty Allah, our Madrasah was opened in 2021. The main goal was to bring children closer to the mosque and teach them Islamic knowledge in a simple and clear way.

We pray that every year more children will join this group and regularly continue learning about Islam. This course has been a great support for children's education and has had a very positive impact, showing clear and positive results.

By the will of Allah, the benefits of this work will continue into the future. Today, these children are active and regular members of our mosque community.

The age range of students participating in this madrasah since its opening has been 8 to 16 years old.
