Annual Report for the Islamic Education Centres of Rahma (Mercy)

Name of the Madrasa: Vlore 2
Academic Year: 2025-2026
Date: 29/06/2026

Introduction

Established in September 2025, this madrasah was opened in response to a clear need within the local area, as well as the strong interest from parents and the enthusiasm of children to learn about Islamic knowledge.

The area had limited access to structured Islamic education, and historically it has not been widely associated with strong Islamic practice. This made it an important motivation for establishing the course, in order to provide children with the opportunity to learn about their faith in a proper and supportive environment.
